

### D.Ed. I Year

The activities for D.Ed. course in I year are spread over in 38 working as shown in the graph from June to April.

#### Orientation:

Student Teacher on allotment to DIET by the DIET-CET Convenor shall report in the DIET allotted on 21-7-2011 at 9.30 a.m Initially they will be oriented on the following areas, in the sixth working week as shown in the graph.

1. Facilities offered by the Institution in general.
2. The seven branches of the Institution , their function, and their relevance to D.Ed., course.
3. The faculty of DIET(Human Resources).
4. Salient features of D.Ed. Course are pictorially presented above and in words below.

#### Theory and Practical : (suggested activities)

Theory and practicals will be organized as per the syllabus shown in the calendar for 21 weeks, as shown in the graph. It should be noted that practicals should invariably follow theoretical presentations in all subjects (papers). Syllabus should be completed before II Terminal Exam as per year plans i.e. by February end. Revision should take place in March and April till final exams commence.

#### Pre SEP Activities:

Pre- School Experience Programme (SEP) activities will be organized in the 15th working week before the commencement of SEP in which the students will be made aware of the records to be maintained, projects to be undertaken during the SEP etc.

Student teacher should follow the day wise programme.

### D.Ed.II Year

The activities for D.Ed. Course in II year are spread over in 38 working weeks as shown in the graph from June to April.

#### Theory and Practicals:

Theory and Practicals go hand in hand over the whole academic year. Theory classes in 5 Strategic subjects will be organized for a period of 18 weeks mainly at different intervals as shown in the graph. The student teachers have to organize practicals as suggested in syllabus for each paper under the guidance of the subject lecturers. Syllabus should be covered before II Terminal Exam i.e. by February end. Revision should take place in March & April till final exams commence. The month wise division of syllabus for each subject paper given in this calendar should be followed scrupulously.

#### Demonstration Lessons:

Demonstration lessons taken up in 7th working week are the most important activities of the course. Every methodology lecturer should give five(5) demonstration lessons in his/her strategy subject. Student teachers should have exposure on demonstration lesson on pre-primary, primary and multigrade. One of the demonstration lessons shall be on micro teaching. Each cycle of micro teaching can cover the sequence-plan-teach-replan-reteach.

Demonstration should have brief outline of the lesson plan, followed by a brief discussion during which useful points can be suggested and the doubts of the student teachers can be clarified and cleared.

#### Teaching Practice:

Teaching practice taken up for 7 weeks (8th to 14th working week) is the important component of the course and needs a careful planning and organization. The student teachers should be required to teach a particular class only after,

1. They have observed demonstration lessons.
2. They have participated in the work shops on teaching learning strategies.
3. They have acquired grasp on the syllabus and teaching materials prescribed for the class.

Every student teacher should teach 7 periods for each strategic subjects and observe 5 periods of peer student teaching in each of the strategic subjects; and one of the teaching periods should be on micro teaching in each strategic subject.

#### Internship:

Internship planned for 7 weeks (25th week to 31st week ) for 40 days is the focal point/nucleus of the course in which the student teacher has to practice the experiences gained during his/her teaching practice session. During the internship student teacher should teach 7 periods in each strategic subject besides observing all the activities taking place during the school hours. During internship student - teacher has to conduct scholastic achievement test@ one for each strategic subject and submit record as per schedule.

All the activities that take place during the internship period will be evaluated by the teachers of the school concerned as the student teachers should stay in the school and be involved in the activities both scholastic and co-scholastic on par with the regular teacher.

#### Final Practicals:

Final practicals (Final lesson) will be conducted at the end of second year in the month of March in 5 strategic subjects as per the schedule of dates communicated by DGE, and the final lessons will be evaluated by the internal as external examiners appointed by DGE, in consultation with Director, SCERT.

#### Theory Exams:

Final Theory Exams will be conducted in the month of April in 5 strategic subjects at the end of the second year.

#### SCHEME OF EVALUATION (G.O.MS.NO.35) DATED 24-7-99

As per the G. O.Ms.No35,2 year Diploma in Education, curriculum has been formulated and given below is the scheme of examination.

Theory: There are 10 subject areas

- 1) Basic Subjects(5)
- 2) Strategy Subjects (Methodologies) (5)

At the end of 1st year external examination (theory) will be conducted for the 5 basic subjects and external examinations for strategy subjects will be conducted at the end of 11 year though teaching commence in the 1st year.

There shall be 2 terminal examinations for which 20 marks are allotted and one assignment in each subject for which 10 marks are allotted.

Records:

The Teacher trainee should submit records which shall be evaluated by the faculty of DIET and shall be assessed by an external board nominated by the Director of SCERT.

I. Practicum

- 1) Institution based.
- 2) Field based

---

SI No	Title of the Record	Max. Marks
1.	Child Study	40
2.	Project Work	40
3.	Working with Community	25
4.	Work Experience	25
5.	Art Education	20
6.	Physical and Health Education	25
7.	Computer Education	50
8.	School Observation	50
9.	Psychology Records	25
10.	Achievement Test Records for strategic subjects	75
11.	Activity packs for Strategic Subjects	50
12.	Mandatory Literacy activity of literating two Adults and enrolment of two un enrolled children	75
Total:		500

---

The minimum pass marks both for theory and practical is 40%(Both External and Internal Assessment).
